

Early Action Compact Milestone - June 16, 2003
List of Emission Reduction Strategies Under Consideration
Abbeville County

Based on stakeholder consultation and taking into consideration resource and political constraints, the following control measures under consideration can be reasonable implemented. It is anticipated these measures under consideration will assist Abbeville County in achieving and/or maintaining the 8-hour ozone standard by 2007.

Measure under Consideration	Description of Measure (A more detailed description will be included in the Early Action Plan)	Estimate of emission reductions (if available)	Proposed date for implementation	Geographic area and/or local government
1. Work with local media for public awareness	? PSA's to local newspapers, radio and television stations		June 2003	Countywide
2. Open Burning on high ozone days	?Solicit cooperation of State and Federal agencies not to issue burning permits on high ozone days		June 2003	Countywide
3. Mowing	?Encourage County, municipalities and citizens not to mow during high ozone days		June 2003	Countywide
4. Vehicles	?Encourage County and municipalities to practice not idling government vehicles when practical. ? Fill automobiles with gas after 6 p.m. when possible ? Consider alternate schedule for County and Municipal Services ? County and Municipaplties will explore purchasing more fuel efficient and low emmission level vehicles when replacements are needed when economically feasible.		On-going	Countywide
5. Education	?Work cooperatively with School District ?Solicit cooperation with Erskine College for technical assistance		August 2003	Countywide
